Dear Sirs,

I am writing you on behalf of the American Society of Women Accountants, St. Louis Chapter. The chapter is getting ready to celebrate its 50th anniversary in June, 2009.

The American Society of Women Accountants' mission is to enable women in all accounting and related fields to achieve their full personal, professional and economic potential, and to contribute to the future development of their profession.

We are hosting the South Central Regional Conference this June. The conference will be Friday, June 12th 8-5, with an optional fun night and Saturday June 13th 8-12. It is an opportunity for accountants to earn Continuing Professional Education Credits and network with other professionals in the field of accounting, while staying abreast of current issues and trends in accounting in our changing economy.

We are currently soliciting sponsorships to assist with the underwriting of this event so that we can offer this opportunity at an affordable price for its participants. We appreciate that in the current economic environment many organizations are reducing their sponsorship spending so we have consciously made our sponsorship opportunities very affordable, please see the enclosed list. Please feel free to contact me to discuss these exciting opportunities further or if you have any questions regarding any of the sponsorship levels.

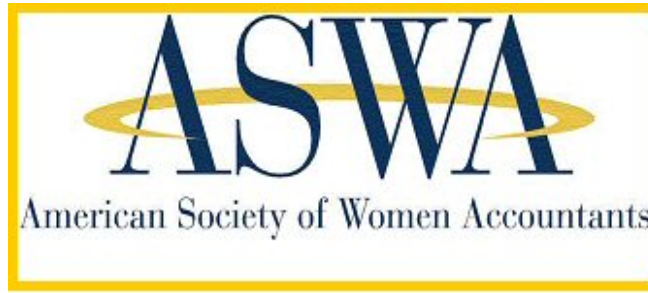

I hope you will consider this opportunity to support not only our organization, but the many women in the accounting field that we support throughout the region.

Thank you in advance for your time and consideration.
